

Welcome to Emerge Counseling and Education, LLC:

My Name is Laura Evans. I am a Licensed Professional Counselor, and a Certified Substance Abuse Counselor in the Commonwealth of Virginia. I specialize in treatment of Anxiety Disorders, Mood Disorders, Depression, Substance Abuse, Trauma, Post Traumatic Stress Disorder (PTSD), as well as many other diagnoses, and issues.

We are here to help you emerge from patterns of that have interrupted your life, and to live a full and satisfying life. You can heal relationships, reintegrating into your career, social life, education, and family. You will learn skills, change your thoughts, and break destructive patterns. During our first session, we will create a plan to break free from the thoughts, feelings, and behaviors in your life that have made it difficult for you to feel fulfilled. After our first session, your personal journey to managing these thoughts, feelings, and behaviors will begin.
